22nd April 2017
HILTON HOTEL NORTHAMPTON

BBS UK Family Conference 2017

We have great pleasure in inviting you to attend the BBS UK Family Conference at the Hilton Hotel, Northampton on 22nd April 2017. This highly regarded and valued conference is aimed at those with Bardet-Biedl Syndrome, their families and carers and also the experts and professionals who have an interest in the various conditions associated with the syndrome.

Registration is from 8.45am, complimentary tea and coffee will be available upon arrival. The conference begins at 9.30am, with a luxury buffet lunch scheduled for 1pm. There will be a refreshment break during the morning. During the afternoon there are workshops which allow for a more informal approach with the conference scheduled to finish with refreshments at around 4.45pm.

Once again there will be an excellent mix of speakers and facilitators including Professor Beales, who will give an overview of research and development in the world of BBS; further information and a final programme will be available on the BBS UK website over the coming weeks, www.bbsuk.org.uk.

All the information you need to make your booking is on the attached form and the procedure is again in two parts:

1. Book your **accommodation and meals** direct with the hotel by phone.
2. Book your **Conference place** with BBS UK.

Please ensure you follow all the steps on the booking form and return it to Julie Sales, together with your deposit as soon as possible. Only completing part of the form, i.e just booking the hotel and not returning the form can cause considerable work and confusion. We cannot accept bookings without payment and telephone queries/bookings must be followed promptly by payment and a completed form.

If you have any queries please contact Julie Sales or Tonia Hymers as below:

Julie Sales (01892 685311) julie.sales@bbsuk.org.uk
Tonia Hymers (07805 685342) tonia.hymers@bbsuk.org.uk

We look forward to greeting friends, old and new, in 2017.

Kind Regards

BBS UK Board of Trustees
